2021 Trees for Troops at Dobbins ARB

Dobbins Air Reserve Base was chosen to receive 300 Christmas trees from Trees for Troops, a national nonprofit that funds and organizes the distribution of free Christmas trees to those who serve. Georgia Power served as a sponsor by generously providing 100 of the trees distributed.

Servicemembers from all branches of service at Dobbins were thrilled to receive a free tree and tree stand during the December UTA weekend. Thank you to Trees for Troops and Georgia Power for spreading holiday cheer at Dobbins.

Cadets from Marietta High School's AFJROTC program played an integral part in this event by loading the trees for each recipient. Col. Carl Magnusson, 94th Airlift Wing Commander, stopped by to thank the cadets for their hard work and also talk with these students about Dobbins Air Reserve Base.

2021 Annual Tree Lighting

John Collins of the Atlanta Hawks assisted 94th Airlift Wing Commander, Col. Carl Magnusson with the lighting of the Dobbins Christmas tree during the December UTA weekend. Servicemembers enjoyed kicking off the holiday season with a celebration sponsored by Georgia Power and other local businesses. Collins, whose mother is an Air Force veteran, shared his appreciation and admiration for all who serve. Thank you to the Atlanta Hawks, Georgia Power, and all of our generous supporters who made this fun-filled afternoon possible.
